

Exhibitor Application 2019

It is new. It is international and it's growing in popularity.

After many successful years as *The Africa Show*, the time was right to present a boutique expo that showcased international hunting opportunities. Why? Well, if you can and are travelling to Africa, you surely can hunt New Zealand, Scotland or Alaska! And for hunters that know and love the opportunities available in North America, they may not understand (YET) just how accessible and affordable, Africa is. With that as the background, following a similar program with limited spaces, and a commitment to do more than merely sell booth, this Expo will become Western Canada's premier hunting event.
